Format:

2-person Scramble – 9 holes

- 1.) Both team members tee off on each hole and then decide which tee shot they like the best and mark the spot with a tee or ball marker.
- 2.) The other team member will pick up their ball and place it within one club length (no closer to the hole) of the marked spot.
- 3.) Each team member hits their next shot from the chosen spot of the prior shot.
- 4.) If the ball you choose to play is in a hazard (sand, water, etc.), the rough, or out of bounds, you cannot drop the ball outside of the hazard or rough even if relief is within one club length away.
- 5.) This procedure is followed on every shot for the remainder of the hole, including putts. The ball should be marked on the putting green also.
- 6.) Putts need to be made within 3 inches of the marked spot (no closer to the hole). The first ball to go in the hole is counted for the team score. When putting, once any ball is holed out, no further strokes count. **The team is cautioned not to make “tap” in putts until all team members have had the opportunity to attempt the team’s original putt.**

Tees:

- 1.) Men and Ladies will play from assigned tees.
- 2.) The hole yardages will be marked for each hole – **Check the yardages for each hole on the scorecard and play from the marked tee boxes according to the tee number on the tee marker.**
- 3.) Ladies tee markers will have a circle painted around one of the markers.

Ties:

All ties will be settled by a scorecard playoff starting on the 9th hole and working backwards to the 1st.

Rules:

USGA rules apply except for the following local rules:

- * Ball is played down unless recent aeration
- * Bushes are played as a lateral hazard
- * All water hazards are played as a lateral hazard and are defined by the edge of the grass closest to the water where the ball lies
- * Free relief from staked/newly planted trees and plants – One club length no closer to the hole
- * All fences and the driving range is **OUT OF BOUNDS**
- * ALL putts must be holed to count – **NO GIMMIE PUTTS!!!** Disqualification is the penalty for picking up
- * Slow play policy: **All groups must keep up with the group ahead of them**
